Ref: E65945

Dear Phoebe Cooke,

We forward our quotation to supply one **Proteam Lifts Endurance** with the following specification;

- DC carriage rated at 18 stone
- LH ascending

All of our products are installed by our fully qualified technicians. Health and safety is our primary objective and all work will be done with your total safety in mind.

Price: £2658.80

Warranty

Type: Fully Comprehensive
Period: 24 Months
Frequency: Six Monthly Servicing

This warranty comes complete with 24/7 cover. All parts and labour are included. All parts required to keep the lift in a safe and operable condition will be replaced as part of this warranty cover.

Price: £599.00

Building

To allow installation of this lift we will be required to alter the balustrade to infill the spindles.

This is necessary work to ensure the health and safety of the user whilst travelling on the lift. By infilling the balustrade with clear Perspex sheeting, will prevent any trapping hazards whereby a knee / leg may become caught between the spindles while travelling.

Price: £350.00

Ash House Ash Road

Electrical

We will provide a 13a switched fused spur at the top landing installed and fully tested to NICEIC regulations by a qualified electrician.

Price: £90.00

Sub Total: £3697.80

VAT: £739.56

TOTAL: £4437.36

We hope you find our quotation favourable and look forward to hearing from you in due course.
